DESCRIPTION

Computer Science Engineering undergraduate (2nd year) with a solid foundation in programming and data structures. Skilled in C, OOPs in Java, and basic web technologies (HTML, CSS, JavaScript), with hands-on experience through academic projects. Enthusiastic learner seeking opportunities to apply problem-solving and technical skills in real-world applications and internships.

EDUCATION

Karpagam College of Engineering(III Year Undergraduate)	09 2024 – 08 2028
B.E-Computer Science and Engineering 8.8	Coimbatore, India

Swami Vivekanandar matric higher secondary school	06 2023 – 03 2024
HSC Percentage - 94.3%	Salem, India

Swami Vivekanandar matric higher secondary school	06 2021 – 05 2022
SSLC Percentage - 94.8%	Salem, India

PROGRAMMING SKILLS

- | | |
|---|---|
| • Data Structures & Algorithms (Basics) | • Web Development (HTML,CSS,Javascript) |
| • Object Oriented Programming (Java) | • Database Basics (MySQL) |
| • Operating System (Basics) | |

SOFT SKILLS

- | | | | |
|------------------------|-------------------|---|--------------------------------------|
| • Communication Skills | • Time Management | • Effective coordination in team environments | • Ability to learn and adapt quickly |
|------------------------|-------------------|---|--------------------------------------|

PROJECTS

RapidRelief Network HTML,CSS,JavaScript,MySQL,NodeJS	11 2025
--	---------

- Developed a RapidRelief Network web application to streamline disaster relief coordination between donors, volunteers, and affected individuals.
- Implemented database-driven features using Node.js and MySQL for efficient request handling and resource management.

Travel Agencies Tour and Bookings Java(OOPs)	09 2025
--	---------

- Developed a Java-based travel booking system using core Object-Oriented Programming concepts such as classes, inheritance, encapsulation, and polymorphism.
- Implemented modules for tour package management, customer registration, booking, and billing with a structured and user-friendly flow.

TECHNICAL SKILLS

- Programming Languages: Java, C, C++, JavaScript,Python
- Web Technologies: HTML, CSS
- Databases: MySQL
- Version Control: Git, GitHub
- Tools: VS Code

EXTRACURRICULAR

- Participated in Paper Presentation at KPRIET.

CERTIFICATIONS

- NPTEL - Soft Skill Development.
- NPTEL - The Joy Of Computing Using Python (Elite).
- NPTEL - Introduction to internet of things (Elite + Silver).

Spoken Tutorial by IIT Bombay - Java Training.
